GIVES \$10,000  
ENDOWMENT

Washington Man Duplicates  
His Amount Which Start-

the Present Campaign for  
a New City Hospital  
Building

EXPRESSES PLEASURE  
OVER THE SUCCESS

Proposes to Give Second Do-  
nation to Increase Useful-  
ness of the Institution—  
Sends Telegram from Cal-  
ifornia, Where He Is  
Spending the Winter

In response to a telegram sent to Ira  
C. Calef at Los Angeles, Calif., apprising  
him that \$30,000 had been raised to se-  
cure his conditional subscription of \$10,-  
000 for the new City hospital building  
in Barre, the following was received to-  
day, announcing that Mr. Calef proposed  
to endow the completed building with an  
additional gift of \$10,000:

"Los Angeles Calif., March 17, 1914.  
"Editor, Barre Daily Times.

"I am pleased with your telegram.  
Say to the people I will endow the  
hospital as soon as built with ten  
thousand (\$10,000.00) permanent  
fund.

"Ira C. Calef."

The receipt of the telegram was hailed  
with great enthusiasm among the work-  
ers for the building fund, as well as by  
the other people to whom the news was  
communicated, and as a result they re-  
doubled their efforts to boost the build-  
ing fund to \$50,000 by the close of the  
campaign on Friday night. On all sides  
were expressions of appreciation of the  
generosity of Mr. Calef as indicated in  
his double contribution, the former to  
assist in constructing a commodious and  
well-equipped building and the latter to  
increase its usefulness through perma-  
nent endowment.

The first gift came from Mr. Calef  
last Christmas, his letter expressing his  
interest in the proposal to erect a new  
building for the hospital and offering to  
write his check for \$10,000 just as soon  
as \$30,000 more was raised and the con-  
struction was started, and giving the  
year 1914 as the limit. As is told in  
another column to-day, the minimum  
amount needed to realize on his gift was  
reached yesterday, less than three  
months after the receipt of his letter  
making the generous offer. And the end  
is not yet, for the campaign for the  
building fund is going on with unabated  
vigor and \$50,000 is the next minimum  
set for the efforts.

It may be stated at this time that  
the building plans drawn up called for a  
cost of \$60,000 for the part of the hospi-  
tal plant proposed to be erected at the  
outset, and the raising of \$40,000  
was set as the minimum for safe financ-  
ing of the venture.

SLIDING TROLLEY CAR  
JUMPED THE TRACK

Seven Persons Were Injured at Woburn,  
Mass., Last Night, Two of Them  
Seriously—The Brakes Failed  
to Hold.

Woburn, Mass., March 18.—Seven per-  
sons were injured, two seriously, when  
an electric car containing 90 passengers  
jumped the track on a sharp curve at  
the foot of the steep Bow street hill  
last night, and plunged 40 feet  
across the street into an embankment.  
The car remained upright and the pas-  
sengers inside were jammed so closely  
together that most of them escaped with  
slight bruises. Those injured were in  
the vestibules or near the doors.

The most seriously hurt were Mrs.  
Henry Neergard of Woburn and May-  
nard C. Marshall of Wakefield. Both  
were removed in an unconscious condi-  
tion to the hospital. It is feared Mrs.  
Neergard has internal injuries. Mr.  
Marshall was cut about the head and  
badly bruised.

Others who were so cut and bruised  
as to require medical assistance were:  
MAURICE WATKINS, Wakefield.  
ROSE McALEER, Woburn.  
JOSEPHINE McALEER, Woburn.  
FELIX McALEER, motorman, Chelsea.  
DANIEL McALEER, conductor, Mel-  
rose.

The majority of those in the car were  
returning from a St. Patrick's day cele-  
bration. It is believed the car was so  
heavily loaded that the brakes failed to  
hold on the steep incline.

Thousands of People Directly Interested  
in Reported Battle.

El Paso, Tex., March 18.—Thousands  
of persons in this section, whose for-  
tunes are looked up in the military and  
political developments in Mexico, to-day  
awaited authentic information of the re-  
ported battle north of Torreon. In the  
last 24 hours exactly 15 words of press  
despatches have seeped through the cen-  
sor over the single telegraph line con-  
necting Juarez with the war scene.

BANDIT FLED

Which Was About to Be  
Handed Over to Him  
in Chicago Hotel

WAS WHISKED AWAY  
IN AN AUTOMOBILE

Robber Had Shot Assistant  
Manager and Stolen  
\$150

Chicago, March 18.—While a compan-  
ion guarded an automobile, a robber  
early to-day entered the Briggs house,  
one of Chicago's oldest downtown hotels,  
and slightly wounded the assistant  
manager, took \$150 from the cash reg-  
ister and fled, just as the night clerk  
had opened the safe and was about to  
hand over \$5,000 in money and the  
valuables it contained.

A bell boy had overheard the robber  
order the night clerk to open the safe  
and called help, but the robber heard  
their approach and fled.

the elimination of the state convention and  
the nomination of state officers by cer-  
tificate or by direct vote.

PORTER H. DALE  
ENTERS FIELD

Announces His Candidacy for Plumley's  
Seat in Congress, Being the Second  
Second-District Man to  
Enter List.

St. Johnsbury, March 18.—The Re-  
publican to-day announced the candi-  
dacy of Porter H. Dale of Island Pond  
for Congress as follows:  
"To the voters of the district:

"I ask your consideration as a candi-  
date for Congress. The man who  
makes this request ought to meet and  
talk with the people of his district. Not  
only a candidate, but a representative  
should consult with substantially every  
voter of his district at least once a year.  
This is a requirement of the fast ad-  
vancing conditions of the time. A rep-  
resentative should be willing to give all  
his time, and all his place pays him, to  
his work. Other inducements than va-  
cations and salary should attract him.  
His chief ambition should be to know  
the needs of the people of his district  
and to strive without ceasing to advance  
them. This course is dependent on and  
requires earnest attention to national  
issues, and these latter are surely to be  
of vital interest in the near future.

Questions will soon engage the at-  
tention of Congress so great moment  
that tinkering the constitution and  
playing the game of party politics will  
be overshadowed, and ability sincerely  
applied to principles will make men for-  
get party differences and act for the  
good of the country.

"The same force of character that has  
propelled the Republican party in  
a distinctive class of American man-  
hood. The nation will demand it, and  
from men who represent a defined con-  
stituency. The time has passed when it  
is necessary for a man to announce that  
he will be progressive in public matters  
—he has got to be.

"I do not want to write to names. If  
you will wait for me, I will go to see  
you, as many of you as possible—com-  
mencing now, and I will answer truth-  
fully all your inquiries. I elected, I  
will come to see you every year of my  
term, and I will keep everlastingly af-  
ter your personal interests when at the  
front. I will try to advance with you  
ideas, and to deal with national issues  
in a broad and liberal and just matter.  
My time and means and strength and  
character will be subject to your re-  
quirements. If you believe in me when  
I talk with you individually, and en-  
dorse what I shall say in public utter-  
ances, then I shall hope for your sup-  
port.

"With this general statement of re-  
quirement and conduct as applied to the  
platform I anticipate from the Republi-  
can party of the district, I ask your  
consideration of my candidacy.

BUCKET SHOPS  
AGAIN WORKING

New York Stock Exchange Considerably  
Agitated by Report—Attempt Is  
Being Made to Bind the  
Western Union.

New York, March 18.—Authenticated  
reports that so-called bucket shops had  
resumed operations in northern New  
York and some parts of New England  
caused considerable agitation to-day in  
stock exchange circles, particularly in  
view of the fact of the new contract soon  
to be signed between the exchange and  
the Western Union Telegraph company  
for the distribution of stock exchange  
quotations.

The exchange proposes in the new con-  
tract to bind the Western Union not to  
sell quotations to any individual or cor-  
poration without the approval of the  
exchange. For many years the telegraph  
company had the sole right to the sale  
of quotations to outsiders, paying the  
exchange \$100,000 annually, and never  
disclosed the number of its patrons.

NEW HEAD FOR  
STREET DEPT.

James S. Wilson Appointed  
and Confirmed as Su-  
perintendent

SUCCEEDS DEBRUNE  
WHO SERVED SINCE '09

Reed Reappointed City En-  
gineer; Shepard, Overseer;  
Reynolds, Water Supt.

Mayor Ward submitted a partial list  
of his 1914 appointments to the board  
of aldermen for confirmation at a special  
meeting that followed the regular ses-  
sion of the city council last night. There  
were six reappointments and one new  
appointment. All were confirmed, but  
dissenting votes were registered against  
three of the nominees.

James S. Wilson's appointment as su-  
perintendent of streets was unanimously  
confirmed. He succeeds Jesse C. De-  
brune, who has held the office since the  
autumn of 1909.

George A. Reed received a reappoint-  
ment as city engineer. On the ballot,  
one vote was polled against the mayor's  
choice. Alderman John F. Cook asked  
if there was any fixed salary that went  
with the appointment. He was informed  
by the mayor that the salary would be  
fixed by the aldermanic salary commit-  
tee.

W. F. Shepard was again appointed  
as overseer of the poor for the year.  
The result of the ballot indicated that  
four aldermen had expressed a prefer-  
ence for his retention. Two votes were  
registered against the choice.

Dr. J. W. Stewart was reappointed  
city physician. He received four votes,  
or enough to confirm the mayor's nom-  
ination.

H. E. Reynolds received a unanimous  
confirmation as superintendent of the  
water department. The mayor's nomi-  
nations of Edwin L. Scott as city at-  
torney and George Rand as inspector of  
buildings were also endorsed unanimously.

All of the appointments are dated  
from April 1 for one year. It will be  
seen that the only official change is in  
the street department. Superintendent  
Debrune is removed after a term of ser-  
vice that began shortly after the death  
of his predecessor, Fred Brune, in Au-  
gust, 1909. The new superintendent is  
one of Barre's well-known citizens. He  
is a stone cutter and resides at No. 3  
Eastern avenue.

## Bonds of Officials to be Investigated.

The mayor presided at the council  
meeting and most of the hour's session  
was devoted to routine business. Se-  
curity bonds for a number of city of-  
fices were presented as follows: Mayor  
W. H. Ward, with G. A. Lane and A. B.  
Lane, security in the sum of \$1,000;  
George L. Morris, constable and tax col-  
lector, with A. J. Morris, J. B. Sanguineti  
and A. Scamporrino, security of \$1,000;  
John F. Cook, alderman, with Edward  
W. Bisbee and J. W. Vaughan, security  
in the sum of \$1,000; Alderman Alex-  
ander E. Bruce, with George B. Milne  
and George E. McFarland, security, \$1,  
000; James Mackay, city treasurer,  
American Fidelity Co., security, \$25,000;  
James Mackay, city clerk, American Fi-  
delity Co., security, \$10,000; Edwin L.  
Keast, alderman, security, Mrs. Mary  
Hunter and L. J. Goode, \$1,000. On the  
suggestion of the city clerk, it was voted  
to instruct the mayor to appoint a com-  
mittee of three to investigate the legiti-  
macy of the bonds offered. The motion  
was framed by Alderman Keast and  
the mayor appointed the finance  
committee, consisting of Aldermen Bar-  
necoff, Cook and Keast.

For the loss of front teeth oc-  
casioned by sudden contact with the icy  
sidewalk last Saturday night, the 13-  
year-old son of Mrs. Thomas Brown of  
Cottage street asked through his mother  
that the council recompense him. The  
young man's prayer for damages was  
recited by Alderman Barnecoff, who said  
the lad fell on a spot that hadn't been  
sanded. According to the mother's de-  
claration, the victim was not rushing  
along when the mishap occurred, nor  
was the performance unwitnessed, for a  
special officer of the police force hap-  
pened to see him when he fell. The  
blow dislocated two incisors. While  
sympathizing with Brown, in his loss,  
the council looked on any proposal to  
reimburse as a bad precedent and on  
the motion of Alderman Cook the mat-  
ter was laid on the table.

## NEW POLICEMAN NAMED.

John S. Murley Appointed to Position of  
the Late George K. Carle.

Late last night Mayor W. H. Ward  
announced the appointment of a new  
policeman to fill the vacancy caused by  
the death of Officer George K. Carle.  
The new patrolman is John S. Murley  
of 3 Summer street. He will qualify  
at once and assume his new duties  
within the week. For a time, at least,  
he will be assigned to day duty, it is  
believed.

The appointment was made on the  
recommendation of the aldermanic po-  
lice committee, consisting of Aldermen  
Fred W. Barnecoff, Edwin Keast, and  
John F. Cook. Mr. Murley is one of nine  
candidates who took the examinations at  
city hall last Saturday. He is one of  
the three ranking members of the class  
and stood high in the average. The re-  
maining two names selected by the com-  
mittee will constitute a reserve list from  
which future vacancies are to be filled.  
Already Officer Ed. L. McLeod has sub-  
mitted his resignation and if it is ac-  
cepted the mayor will be called upon  
to make a second appointment. Officer  
McLeod asks to be relieved from duty  
Saturday, March 21.

Mr. Murley is 36 years old and a na-  
tive of Ireland, although he has been a  
resident of Barre for a number of years.  
He is five feet, 11 inches in height and  
weighs 185 pounds. For some time he  
has been employed as a stone cutter at  
the Marr & Gordon plant. His is the  
second police appointment to be made  
under the civil service regime.

GOV. FLETCHER SEEKS  
TO CUT VALUATIONS

While Telephone Companies That Are to  
Be Taxed Ask for \$500,000 High-  
er Valuation, Making a  
Most Unique Situation.

A hearing is being given by the state  
board of appeals at the State House in  
Montpelier on the valuation of telepho-  
ne companies in Vermont for purposes of  
taxation. At the outset of the hearing  
yesterday the somewhat unusual situa-  
tion developed of the state asking for a  
reduction on the valuations as made by  
State Tax Commissioner Charles A.  
Plumley and of one of the companies,  
the New England Telephone & Tele-  
graph Co., to have them maintained.

The board of appeals is composed of  
Lieut. Gov. Howe, Secretary of State  
Bailey and State Auditor Graham.

In defending his position in asking  
for the reduction of the Plumley valua-  
tion and the substitution of the valua-  
tions as proposed in the order of the  
Vermont public service commission call-  
ing for reduction of rates, Governor  
Fletcher said: "The state desires that  
there shall not be two systems of tax-  
ation, one for the purpose of rate-making  
and the other for the purpose of tax-  
ation." This means reduction of \$500,000  
on the appraisals as made by the tax  
commissioner.

The New England Telephone & Tele-  
graph Co. and subsidiaries represented by  
M. B. Jones of Boston, submitted  
valuations made to the public service  
commission which were \$500,000 to \$800,-  
000 higher than the commission report-  
ed.

Mr. Jones defended the Passimnappe  
company, which the governor attacked.  
The state claims no value on fran-  
chises.

ST. PATRICK'S  
WORK RECALLED

Ireland's Patron Saint Given  
Marked Tribute by John  
J. Cosgrove

FOLLOWING BANQUET  
BY ABOUT 700 PEOPLE

Irish and American Color  
Mingled in the De-  
oration

The celebration of St. Patrick's day,  
the anniversary of the death of the  
great apostle and patron saint of Ire-  
land, was held last evening when a  
large throng gathered in the Clam Gor-  
don hall to attend the banquet and en-  
tertainment conducted under the aus-  
pices of the parishioners of St. Monica's  
church. The exercises were marked by  
an even greater degree of success than  
in any previous year in Barre.

The hall was attractively decorated  
in American and Irish colors. Stream-  
ers of red, white and blue were much  
in evidence through the hall. At the  
rear of the platform, which was banked  
in a profusion of potted plants and  
flowers, were the American flag and the  
emblem of Ireland. The emblem was  
the green flag with the gold harp in  
the background with the inscription,  
"Erin Go Bragh." Banquet tables, em-  
bellished with vases of green carnations  
and beds of shamrocks, taxed all the  
available space. Seated as guests of  
honor at the speaker's table were Rev.  
Hugh McKenney, who presided over the  
post-prandial exercises; Rev. P. M. Mc-  
Kenna, pastor of St. Monica's church;  
John J. Cosgrove, speaker of the even-  
ing; John W. Gordon, S. Hollister Jack-  
son, Rev. G. H. Holt, pastor of the First  
Baptist church; Rev. J. W. Barnett,  
pastor of the Congregational church;  
Dr. J. W. Stewart and E. M. Roscoe,  
superintendent of the Barre schools. The  
banquet was served early in the even-  
ing, and nearly 700 people were served.

During the banquet, music was ren-  
dered by Prof. Mario Basini and Prof.  
Petro Landri. Prof. Landri rendered  
several pleasing violin solos, accompa-  
nied by Prof. Basini at the piano. The  
remainder of the musical program held  
during the banquet was composed of the  
following numbers: Vocal solo,  
"Drowsy," Charles Gibbons; vocal solo,  
"The Songs My Mother Used to Sing,"  
Miss Mae Quinlan; vocal solo, "If I  
Could Live to Love You," Henry Car-  
roll; vocal solo, "The Kerry Dances,"  
D. J. Sullivan. The program of enter-  
tainment was brought to a close with  
a declamation, "Spartans to the Gladi-  
ators," by John Jordan.

## PROMINENT ST. ALBANS MAN.

Dr. Theodore R. Waugh Died in Bur-

St. Albans, March 18.—Dr. Theodore  
R. Waugh, one of the best known citi-  
zens of St. Albans, died to-day at Mrs.  
Rood's sanatorium in Burlington. He  
had been undergoing treatment dur-  
ing the past two months. The cause of  
death was nephritis. The body will be  
brought to St. Albans Thursday morn-  
ing, but the funeral arrangements have  
not been made.

Theodore Rogers Waugh was born in  
Sanquillo, N. Y., Nov. 1, 1846, the sec-  
ond son of Rev. and Mrs. John Waugh,  
the former of whom was a Presbyterian  
minister and writer. He was educated  
in the public schools and St. Lawrence  
academy. In 1856 he went to New York  
City and worked for a time with the dry  
goods firm of C. H. Bowman & Co., after  
which he returned to Canton, N. Y., and  
studied medicine, later being graduated  
from the Hahnemann Medical college of  
Philadelphia in the class of 1872.

In May, 1872, Dr. Waugh came to St.  
Albans and had since been located here  
in the practice of medicine, being a  
homeopathist. He was at one time pre-  
sident of the Vermont society of such  
practitioners and had been connected  
with the St. Albans hospital for a long  
time, serving as director, superintendent  
and treasurer. He had great prop-  
erty interests, one being the Waugh  
opera house here.

On June 12, 1873, he married Adah J.  
Reynolds of Carthage, N. Y. Their  
first child, Theodore, died at the age of  
five years, and an adopted daughter,  
Marguerite, who became the wife of  
Charles McDonald of New York City,  
died a few years ago. The only surviv-  
ing child is a son, Theodore Rogers  
Waugh, Jr., a student at the New York  
Homeopathic Medical college.

ST. PATRICK'S  
WORK RECALLED

Ireland's Patron Saint Given  
Marked Tribute by John  
J. Cosgrove

FOLLOWING BANQUET  
BY ABOUT 700 PEOPLE

Irish and American Color  
Mingled in the De-  
oration

The celebration of St. Patrick's day,  
the anniversary of the death of the  
great apostle and patron saint of Ire-  
land, was held last evening when a  
large throng gathered in the Clam Gor-  
don hall to attend the banquet and en-  
tertainment conducted under the aus-  
pices of the parishioners of St. Monica's  
church. The exercises were marked by  
an even greater degree of success than  
in any previous year in Barre.

The hall was attractively decorated  
in American and Irish colors. Stream-  
ers of red, white and blue were much  
in evidence through the hall. At the  
rear of the platform, which was banked  
in a profusion of potted plants and  
flowers, were the American flag and the  
emblem of Ireland. The emblem was  
the green flag with the gold harp in  
the background with the inscription,  
"Erin Go Bragh." Banquet tables, em-  
bellished with vases of green carnations  
and beds of shamrocks, taxed all the  
available space. Seated as guests of  
honor at the speaker's table were Rev.  
Hugh McKenney, who presided over the  
post-prandial exercises; Rev. P. M. Mc-  
Kenna, pastor of St. Monica's church;  
John J. Cosgrove, speaker of the even-  
ing; John W. Gordon, S. Hollister Jack-  
son, Rev. G. H. Holt, pastor of the First  
Baptist church; Rev. J. W. Barnett,  
pastor of the Congregational church;  
Dr. J. W. Stewart and E. M. Roscoe,  
superintendent of the Barre schools. The  
banquet was served early in the even-  
ing, and nearly 700 people were served.

During the banquet, music was ren-  
dered by Prof. Mario Basini and Prof.  
Petro Landri. Prof. Landri rendered  
several pleasing violin solos, accompa-  
nied by Prof. Basini at the piano. The  
remainder of the musical program held  
during the banquet was composed of the  
following numbers: Vocal solo,  
"Drowsy," Charles Gibbons; vocal solo,  
"The Songs My Mother Used to Sing,"  
Miss Mae Quinlan; vocal solo, "If I  
Could Live to Love You
